

ThreadFit® DARK Thread Cutting Oil

INSIST ON
F P P I®

Description

ThreadFit® DARK Thread Cutting Oil for Sprinkler Pipe is an excellent heavy duty, dark colored cutting oil for all types of ferrous metal. It's special combination of anti-wear and anti-weld additives provides all the necessary lubricity and cooling modern pipe threading operations require. This balanced combination of additives will help improve die life and thread quality over other cutting oils and is chlorine free.

Features

- Heavy Duty Cutting Oil
- Excellent Tool Life
- Chlorine Free
- All types of ferrous metal or pipe
- Improved Surface Finish

Installation

ThreadFit® DARK can be used in automatic and hand held applicators. Fill oil reservoir according to equipment manufacturers specifications. Mixing of different types of threading oils is not recommended. DO NOT ALTER THE CONSISTENCY OF THIS PRODUCT. Use as is directly from the container. Change oil regularly for optimum performance.
